Dear Mr Johnson

Freedom of Information request reference: 50999

Thank you for your email of 9 November, in response to our request for clarification in regards to your original request of 9 November seeking information on safeguarding.

Unfortunately your e-mail still does not provide us with sufficient details to identify or locate the information you require. To help us to deal with your request properly, I would be grateful if you could once again clarify what you mean when you refer to safeguarding. The term safeguarding is very broad especially in relation to the Home Office and covers many areas, as you yourself have highlighted with the examples you have provided. These areas each have their own protocols and procedures. In order to answer your request fully you'll need to be more specific in highlighting which areas are of particular interest to you.

Once you provide this information, we will aim to send you a full response to your request within twenty working days.

Yours sincerely
