Ref: FOI Request 024-180204

Dear Ms Tieghi,

Request under the Freedom of Information Act 2000

Please find below the University of Bradford's response to your request for information dated 4 February 2018

Your request:

- 1) *Breakdown of expected salaries, or average salaries for graduates from undergraduate degrees in years 2008/2009 to 2013/2014 included, by subject. If average salaries for recent EU (non-UK) or international (non-EU) graduates are available, I would like those to be shared as well.*
- 2) *Tuition fees charged to first-year international students for undergraduate degrees in years 2008/2009 to 2013/2014 included, broken down by subject.*

Our response

We are able to provide details on salaries for 2012 onwards. The Destination of Leavers of Higher Education survey which captures this information collected different information prior to 2012 and we reported differently and consequently do not hold this information prior to this date.

We are able to provide salary data per programme from 2012 onwards, however this is one figure for each programme, covering UK, EU and overseas students as well as full-time and part-time employment as we do not have separate data for each status of graduate.

Please refer to the attached documents.

If you are unhappy with the University processing of your request or the response you have received, you may request an internal review. Please contact the Legal and Governance Team at foi@bradford.ac.uk within two months if you wish to request an internal review. The University will undertake an internal review and will usually inform you of the outcome of this review within 20 working days.

If you are unhappy with the outcome of the internal review you may apply directly to the Information Commissioner for a decision. The Information Commissioner may be contacted at: The Information Commissioners Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely
