Dear Mr Ashby

Re: - Request for Information – Council Officer Salaries
Reference number:- CEX/82WH94

Thank you for your request for information, which was received by Manchester City Council on 22nd February 2010 and has been considered under the provisions of the Freedom of Information Act 2000. I apologise for the delay in responding to your request.

Your request was as follows:

Under Freedom of Information Laws please name appointments which carry a salaries of £50,000 per annum or more within your organisation.

In this please include Councillors which receive gratuities in excess of £50,00 per annum.

You have requested that the Council “name appointments”. I have interpreted this to mean that you wish for the posts to be named rather than the post-holders. If you do require the names of post-holders please contact me and that request shall be considered.

Following enquiries I have been provided with the attached table. I am informed that it lists all positions for which the holders receive a salary of £50,000 or more working directly for the Council; it does not contain details of staff working within schools.

You also asked for our response to include councillors who receive “gratuities” in excess of £50,00 per annum (it is not clear if this was typographical error on your part and you in fact meant £50,000). Councillors do not receive gratuities, but receive allowances, and your request has been treated as referring to the latter. Information relating to the Members’ Allowance Scheme is available in the Council’s publication Scheme and can be found on the Council’s website at:

http://www.manchester.gov.uk/downloads/file/11399/part_7-members_allowances_scheme

It can be viewed over the internet and you are welcome to use the public computer facilities available at any Manchester City Council library. If you would prefer a copy of the document to be sent to you, please contact me in order that this can be arranged. However, there may be a charge for supplying a paper copy of the document.

This information may be subject to copyright. Freedom of Information does not give you an automatic right to re-use this information in a way that would infringe copyright, for example, by publishing the information or making multiple copies.

Please note if you are not satisfied with this response you may ask for an internal review. If you wish to complain you should contact me in the first instance.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision.

The Information Commissioner can be contacted at:

Please remember to quote the reference number above in any future communications.

Yours sincerely

Liz Treacy
