Our ref: 4681496

Thank you for your request received on 21 August 2018, for the following information:

Please can you provide me with the 2016-2017 and 2017-2018 academic year school spends on agency supply staff in the borough of Barnet from the data you have available?

I would prefer to receive the information in excel spread sheet format, with considerable focus on Primary, Secondary, SEN and Nursery school spend data including E1-E31 including Capital expenditure CE01, CE04 and E26, broken down per school.

I would like the information broken down to show the amount spent on teachers and the amount spent on support staff.

We have processed this request under the Freedom of Information Act 2000.

Response

I can confirm that London Borough of Barnet holds the information you requested.

However, we believe that the exemptions detailed below apply to all the information you requested and so we are withholding that information. Please see the Refusal Notice below.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
