

Dear Elizabeth,

RE: FOI 19-101

Please see below for the University's response to your request for information, received by the University on 8 May 2019.

Please note that where there have been fewer than five students, the exact figure has been replaced with '<5'. This is to prevent the identification of individuals, and to avoid the disclosure of personal data. Notice is given that Section 38(1)(b) of the Freedom of Information (Scotland) Act 2002 (FOISA) has been applied.

Section 38(1)(b) (read with 38(1)(2A)) of FOISA exempts from disclosure information which constitutes personal data if in addition the disclosure would contravene any of the data protection principles in the General Data Protection Regulations (GDPR). In this case, the exemption contained in section 38(1)(b) is absolute, therefore there is no need to consider where the balance of the public interest lies in relation to the disclosure of this information.
