### S.60 CJPOA Process - Flowchart

\* Nothing in this toolkit & policy constrains the authorisation only to Inspectors; any rank above Inspector may also authorise powers under s.60

\*\* Authorities should not by default mirror BCU or arbitrary boundaries, nor should they be applied BCU wide except as justified by the intelligence picture

\*\*\* An authorisation can be further extended up to 9 hours (to make a maximum of 24hrs for any authorisation) by a Superintendent after consultation with an NPCC officer if violence or the carrying of dangerous instruments or offensive weapons has occurred, or is suspected to have occurred, and the continued use of the powers is considered necessary to prevent or deal with further such activity or to find a dangerous instrument or offensive weapon that has been used
