Dear Ms Wilson

Re: Your Request for Information

Thank you for your two requests for information received through www.whatdotheyknow.com (WDTK).

I note that you have requested a comment from the IPCC on a complaint and details of a case that may or may not be a complaint to the IPCC.

We will not discuss details of individual cases through WDTK and therefore we invite you to make separate contact with a personal email address including further details to allow us to look into the matter further.

Please see further information at <https://www.whatdotheyknow.com/help/requesting>, which explains the limits of making a Freedom of Information request through What Do They Know.

Yours sincerely
