Morning

I have received instructions and would be grateful to accept your attached quote. We initially request that security be provided for 7 days at the rate contained therein. With regards welfare facilities, I suggest we might be best to have our own toilet delivered – to save having to rely on Cuadrilla any more than necessary.

I will email the police etc now and will copy you in to confirm that we are full steam ahead for the planned eviction.

My Director, will have his personal mobile on loud from 5:30am on the day. His number is and he should be contacted in the first instance if you require an urgent decision. In the event that you can't get hold of him, feel free to call me on

I can also confirm that the instruction in relation to personal possessions is as agreed yesterday. People will be given time to leave, with their possessions. Any obvious valuables found during the clear-up (phones, keys, etc) should be passed to the police as lost property. Please keep a quick list of items passed as lost property.

I will create A5 leaflets today. How would be best for them to be passed to your HCEO's? I can email them for you to print, or have hard copies left at a county hall reception for someone to collect?

My colleague (who attended the meeting yesterday) will provide contact details for the fencing contractor and instructions and to how that will be arranged.

Thanks

Lancashire County Council
