Subject: Post Op Security Invoice

Dear

I hope you are both well and enjoyed a lovely weekend.

Please find attached our invoice for security services for the period 12 to 19 July 2017 inclusive.

Just to note, for the first week of security we provided an extra security guard to each side of the protected area, completely at our own cost. This was due to the sensitivity and, at that point, unknown potential volatility of situations that may have been presented. Our Guards are confident that there appears to be little appetite of the protesters to try infiltrate the protected areas, so we have reduced coverage to the agreed 6 guards in total, as per the attached invoice.

If you would be kind enough to forward on the invoice to your accounts team for payment.

Kindest regards
