Dear K McYarnington

Freedom of Information Act 2000

Thank you for your recent request to the Council. You asked to be provided with the following information:

Dear Westminster City Council,

I read the update on the Transport for London webpage <https://tfl.gov.uk/travel-information/improvements-and-projects/westminster-bridge-south> titled "Segregated cycle facilities on Westminster Bridge":

"It's not possible right now to install the new segregated cycle tracks across Westminster Bridge itself because the security barriers are taking up space. The large number of pedestrians here, and the structural difficulties of securing the barriers, mean it's also not possible to move the barriers onto the pavement.

We have installed new road markings across the bridge as an interim layout, including a 1.6 metre mandatory cycle lane and 3 metre bus lane in each direction.

We're still committed to creating segregated cycle facilities across Westminster Bridge and are working closely with the Metropolitan Police Service on a permanent layout for the bridge."

Could I please request a schedule/programme for work to design and implement segregated cycle facilities on Westminster Bridge and any other documents that your authority holds concerning the progress of this work?

Yours faithfully,

Response

The Council does not hold the requested information. For the purposes of section 1 (4) of the Freedom of Information Act 2000 this information is not held and we are therefore unable to provide it.

Westminster Bridge is TfL (Transport for London) highway and this is a TfL scheme. Please contact the Freedom of Information Team at TfL using the following link
