Note

SCD8 Incident data relates to the number of incidents, not offences, investigated by SCD8. Where an incident is recorded on more than one crime record, it will only be counted once. Detection data counts one detection per incident, regardless of the number of offences recorded on the crime record.

Definitions

The definition of Gun Crime and Gun Crime Feature Codes can be found with the other General Crime Definitions.

For Gun Crime Offences and Sanction Detections by SCD Investigating Unit: SCD units and the BOCUs are identified by the value of the Investigating Unit on the Crime Report.

Non Violent Gun Crime Offences and Sanction Detections are those Notifiable Offences that have the Gun Crime Feature Codes and were not included in the General Gun Crime Definition.

Possession of a Firearm includes those Offences that are classified as 008.13, 008.14, 008.15, 008.16, 008.17, 008.18, 008.23, 008.24, 008.25, 081.03, 081.04, 081.08, 081.09, 081.10, 081.11, 081.12, 081.15, 081.16, 081.17, 081.26, 081.27, 081.35, 081.36, 081.37, 081.70, 081.71, 081.72, 081.73 or 081.74.

SCD8 Incident data relates to the number of incidents, not offences, investigated by SCD8. Where an incident is recorded on more than one crime record, it will only be counted once. Detection data counts one detection per incident, regardless of the number of offences recorded on the crime record.

Data is subject to daily change
