Subject: FOI 1045 19 Request

Colleagues

I refer to the attached FOI request which is seeking services commissioned by HSCB from voluntary & community organisation and from social enterprises for last 3 financial years.

While we are currently collating information on Voluntary & Community contracts that are centrally monitored, we have been made aware that there may be separate arrangements that LCGs have that would need to be considered in addressing this request.

Appreciate if you could advise by cob next Tuesday 24 of any such arrangements that are in place, noting the nature of the service commissioned and expenditure for the 3 financial years requested .

Please ensure Joanne is copied in your response.

Thank you

Colin
