### Covering email -

*Jimmy, please note that the figures at appendix 1, represent the current service contract commitments, many of which will have a defined contractual period. Contracts are often subject to review and this can in turn result in a change in provider. In addition, within this cohort, there may also be non recurrent funding elements which may reflect in year contract variations. We have, as best we can, made additional comments on the return where non recurrent elements are included.*
