Peter,

Responding on Colin's behalf re below.

We have just noticed the pdf Appendix needs updated with column titles to include '£' – please see attached updated version.

Content with covering email narrative although again would note that as previously advised, this excludes Surestart & Bright Start funding which is Dept of Education funding provided via HSCB for allocation.

Many thanks,
Kelly.

Colin, please see attached. I also want to include the covering email below.

I am hoping to release all 3 requests to Jimmy this afternoon, could you advise if you are content with the attached and the covering email below. Please feel free to add/amend as you see fit

Regards

Peter

Covering email -

Jimmy, please note that the figures at appendix 1, represent the current service contract commitments, many of which will have a defined contractual period. Contracts are often subject to review and this can in turn result in a change in provider. In addition, within this cohort, there may also be non recurrent funding elements which may reflect in year contract variations. We have, as best we can, made additional comments on the return where non recurrent elements are included.
