Dear Elle

**RE: Social Services Contacts**

Thank you for your correspondence, which we received on 6 September 2018. In order to process your request we require further information to enable us to identify and locate the information which you have asked for.

We would ask you to clarify the following points:

As Older People's and Adult Services are often delivered through multi professional and integrated structures, can you clarify as to what you understand as Social Services in the context of Adults

Your request will be placed on hold until such time as sufficient clarification is provided to locate the information you require. If we do not receive a response from you within 20 working days of this letter your request will be considered to have lapsed, as under section 1(3) of the Freedom of Information Act a public authority need not comply with a request unless any further information reasonably required to locate the information is supplied.

If you have any queries regarding this letter, please do not hesitate to contact me.

Yours sincerely

Lorraine O'Kane  
Public Liaison Services Officer
