Mr S Phillips

03 June 2019

By email: ebe4ec37@whatdotheyknow.com

Dear Mr Phillips

A75 Springholm Traffic Signals

Thank you for your correspondence dated 01 May and your subsequent email dated 01 June, regarding the above subject matter. Please accept my apologies for the slight delay in my response.

As you correctly state, the speed activated traffic signals in Springholm are not currently enforceable, as the Traffic Signs Regulations and General Directions (TSRGD) do not permit this.

As highlighted on the 26 March at the residents meeting in Springholm, we are working to establish an evidence base from the trial use of these signals that would support a future amendment to the TSRGD. Until that point, drivers are expected to comply with signals on the network.

We will continue to monitor road safety at this location.

I hope you find this helpful.

Yours sincerely

Derek Williamson
Road Safety Manager
