

FOI 2750 - Speed Enforcement Initiative (2) – Responses shown in bold

For each of the 7 trial locations and in aggregate,

a) what information do you have regarding vehicles that were detected travelling above the legal limit on more than 1,2,3, etc occasions?

This information is not available as the cameras are set to an Enforcement limit.

b) Ditto, but based on penalties issued to the same vehicles on 1,2,3 etc. occasions?

There may be information available in relation to vehicles detected above the Enforcement limit from the Police.

For clarity please note that the information as requested is not collated nor collected by either LCC nor the Police only offences are recorded. The number of offences have already been included in the Cabinet report available.

The Cabinet report is accessible via the below link:
