Response

I am writing to advise you that, following a search of our paper and electronic records, I have established that the information you requested is not held by Birmingham City Council.

There are a number of roads in Birmingham that have had their speed limit reduced from 40mph to 30mph over the last decade, however we do not hold speed survey data for these roads.

Please quote the reference number 19673986 in any future communications.
