Dear Jack

**FREEDOM OF INFORMATION ACT 2000 - INFORMATION REQUEST  
CONCERNING – Spending on Public Health Concerns.**

Thank you for contacting Worcestershire County Council (WCC).

Your Request

I am writing to request statistics for the following:

The separate annual spend on each of these public health areas:

Sexual Health,  
Drug misuse - adults,  
Alcohol misuse,  
Smoking,  
Obesity,  
Physical activity.

I am requesting the spend for each of the public health concerns in the spending year 2013/14.

Where the spend is spread across multiple brackets through schemes or initiatives which will, for example, focus on obesity and physical activity, please apportion the correct amount of funding that has gone to each sector's outcomes. Where this is not possible, please spread the cost evenly over each appropriate category. I would appreciate it if you do not attempt to group multiple categories (for example placing alcohol/drug misuse into substance abuse, or physical activity and obesity into Wellbeing), but attribute each spend individually as far as possible.
