Dear Sir/Madam

APPLICATION NUMBER: 20/01966/COMIND

PROPOSAL: Renewal and expansion of the existing football pitch to form a new 3G main pitch and a smaller 3G training / practice pitch

SITE: Newbury Football Club, Newbury Football Club, Faraday Road, Newbury

This is to inform you that additional drawings/amended plans for the above application have been received by the Council and may be viewed online at the following address: <http://planning.westberks.gov.uk/rpp/index.asp?caseref=20/01966/COMIND>. The main changes to the application include:

- 1 An updated design and access statement has been submitted which reflects the current application for a main pitch and a small training / practice pitch, both of which will be 3G artificial grass.

Any references to 4G and other ancillary sports activities (e.g. cricket nets, hockey etc.) have been removed from the design and access statement.

Description for application: 20/01966/COMIND has been amended to:

"Renewal and expansion of the existing football pitch to form a main pitch and a small training / practice pitch."

Applicant has not submitted a Flood Risk Assessment, as the Lead Flood Authority has advised that this could be secured by planning condition. However an Ecological Report has been submitted.

Anyone who wishes to make comments about this application should write to the Planning Department at the above address or e-mail planapps@westberks.gov.uk, by **4th November 2020** quoting the above application number. Any letter received after this period may not be able to be taken into account in the decision making process. I can confirm that any previous comments you have made will be taken into account when any decision is made on this application.

If you wish to discuss the application, please do not hesitate to contact the Customer Call Centre on the above telephone number quoting our reference. Alternatively you can check the progress of this application online.

Yours faithfully
