Dear Mr McGivern

Freedom of Information Act 2000

I wish to confirm that Sport NI has now provided the information which you requested on 14th August 2018.

1. A detailed breakdown of the Refurbishment project carried out on the Albert Foundry Boxing Club premises.

The works to Albert Foundry ABC included, works to the roof and rainwater goods, installation of new doors and windows, stud work, new suspended ceiling to gym and sanitary provision, clear out vegetation treat and repoint brick work where necessary, installation of a new sports floor to the gym, new sanitary accommodation, concrete path around the perimeter of the building along with heating, ventilation and fire alarm systems.

2. Please confirm if the refurbishment project was awarded after an application process and if so state the name the application was made in?, i.e. in the name of the club or association etc.

The award was provided following an application process. The name of the applicant was Albert Foundry Amateur Boxing Club.

3. Please confirm if the total cost of the project required a % of costs to be provided by the applicant, i.e. 80% Revenue Award and 20% from applicant club, Or if the total cost of the refurbishment was covered by the Sport NI Revenue Award?

The award was 100% funded through Sport NI and the Department for Communities.

4. Please confirm the total costs of the boxing club refurbishment project?

Total project costs are £290,291.06.

5. Please confirm if the refurbishment revenue award was for a maintenance award or a capital investment award?

Sport NI's award was a capital award - not a revenue award.

6. Please provide a copy of any terms and conditions associated with the Exchequer Revenue being awarded, i.e. Lease requiring 20years tenure, membership of National Body or registered as a private club with constitution etc. and confirm any terms were met by the club. For clarification, Sport NI's award was a capital award through our National Lottery reserves - not exchequer.

Please see attached the standard and specific terms and conditions.

7. Please provide a copy of any restrictions associated with the Exchequer Revenue award, i.e. use of refurbished premises etc.

No restrictions applied.

8. Can you confirm if inspections were carried out prior to, during and after any works were completed in relation to the refurbishment.

A Programme Management team were appointed through a public procurement process to carry out a building inspection report on all projects and to oversee the appointment of a project design team. This project design team was appointed and it was their responsibility meet at all stages of the project - from concept to completion.
