### **Which zone?**

Most Tube, DLR, London Overground, TfL Rail and National Rail services within Greater London are divided into six fare zones. Outside Greater London, services to the following are in Zones 7-9:

**Zone 7:** Carpenders Park, Croxley, Chorleywood, Rickmansworth, Theobalds Grove, Waltham Cross and Watford

**Zone 8:** Bushey, Chalfont & Latimer, Cheshunt, Dartford, Swanley and Watford High Street

**Zone 9:** Amersham, Brentwood Chesham

Tickets must be valid for all the zones customers travel through.

- DLR services only operate within Zones 1, 2, 3 and 4
- Travelcards which include Zones 3, 4, 5 or 6 are valid on trams

## Ticket types

### Services beyond the London fare zones

London Overground, TfL Rail and National Rail operate services beyond the London fare zones:

- Watford Junction (London Overground and National Rail)
- Shenfield (TfL Rail and National Rail)
- Epsom, Ockendon, Chafford Hundred, Purfleet, Grays, Cuffley, Bayford, Hertford North, Broxbourne, Rye House, St Margarets, Ware, Hertford East, Potters Bar, Brookmans Park, Welham Green, Hatfield, Welwyn Garden City, Radlett, St Albans City, Harpenden, Luton Airport Parkway, Merstham, Earlswood, Redhill, Salfords, Horley and Gatwick Airport (National Rail)
- Heathrow via TfL Rail and Heathrow Express
- Reading via TfL Rail and National Rail (Iver, Langley, Slough, Burnham, Taplow, Maidenhead, Twyford, Reading)

### Pay as you go

Customers can put money on an Oyster card and then use it to pay for journeys on Bus, Tube, Tram, DLR, London Overground, TfL Rail, Emirates Air Line, Thames Clipper River Buses and most National Rail services within London. Adults can also use contactless cards, mobile phones or other devices for pay as you go travel; the fares are the same.

Some routes accept contactless pay as you go only (and not Oyster). See **Book 2** page 51 for full details.

Pay as you go credit on an Oyster card never expires - it stays there until it is used. Once the credit is used up, customers simply top up the card to use it again.

### Peak and off-peak pay as you go fares

Different pay as you go fares are charged at busy times on rail services:

- **peak** fares apply from 06:30 to 09:29 and from 16:00 to 18:59 Monday to Friday (excluding public holidays)
- **off-peak** fares apply at all other times

Customers are charged according to when they touch their card on

## Ticket types

### Pay as you go

the yellow reader at the start of their journey.

#### Off-peak fares during the evening peak

Off-peak fares are charged for customers travelling into Zone 1 between 16:00 and 18:59 on Mondays to Fridays.

If they touch in between 16:00 and 18:59 at the start of their journey outside Zone 1 and touch out in Zone 1 at the end of their journey, they will be charged an off-peak fare.

On the Reading extension, off-peak fares apply in the evening peak for **all** journeys heading towards London and not just those ending in Zone 1

Evening off-peak fares do not apply on journeys heading towards London on Southeastern high speed services, Gatwick Express or Heathrow Express.

[Single fare finder](#) shows the times when peak/off-peak fares apply for individual journeys.

### Pay as you go with capping

Capping is a feature of pay as you go. It allows customers to travel as much as they like but limits the amount they pay. Caps are applied:

- Daily (contactless and Oyster) or
- Weekly for up to 7 days travel ending on a Sunday (contactless and Oyster for bus and tram; Contactless only for all modes)

For a cap to apply, customers must touch in and out correctly on all journeys.

Day Travelcards are not valid on Southeastern High Speed services between St Pancras International and Stratford International unless bought outside Zones 1 - 9 with “[high speed route](#)” printed on the ticket.

### 7 Day tickets and weekly capping

Customers can travel as much as they like in one week using:

- Pay as you go with weekly capping with contactless
- Pay as you go with weekly capping on Oyster – bus & tram only

### 7 Day tickets and weekly capping

**Weekly capping on contactless** – all services within zones 1 -9 plus to and from Epsom, Broxbourne, Rye House, St Margarets, Ware, Hertford East, Gatwick Airport (excluding Gatwick Express), Grays, Cuffley, Bayford, Hertford North, Potters Bar, Radlett, Shenfield and Watford Junction),

### Weekly capping on Oyster - bus & tram journeys only

Customers making multiple journeys in a single week finishing on Sunday using the same contactless payment card or device, or Oyster card for bus & tram journeys may have their fares capped.

Weekly capping is always calculated for all journeys made over 7 days ending on a Sunday. Customers who travel for a single week starting from (for example) on Wednesday to the following Tuesday would be capped (if appropriate) to the Sunday night. The cap is reset on Monday morning.

Weekly capping is calculated at the end of each traffic day by aggregating all the journeys made and applying daily caps if appropriate. As the week progresses, the cumulative daily totals are analysed and a weekly cap is applied where appropriate.

## Fares tables

### Adult fares

If a weekly cap is reached before the following Sunday, any further journeys made with that contactless payment card or device or Oyster card on bus and tram services are free until the end of the capping period, provided customers continue to touch in and out. Caps are applied to individual contactless payment cards or devices, so journeys made on one contactless card or device cannot be transferred to another card or device (e.g. if a card expires mid-week). Customers who have more than one contactless payment card or device should use the same one for all travel to get a weekly cap.

- valid anytime on Saturday, Sunday and public holidays

#### Group Travel tickets on DLR only

#### Group tickets for travel on DLR only

- These are no longer available to buy

The DLR Customer Experience team does issue group tickets for DLR-only travel as part of its Community Ambassador familiarisation trips programme. London Underground staff should allow passengers with one of these tickets to enter or exit at a London Underground/DLR interchange station. See page 26 in **Book 2** for details.

### Privilege rate fares

A Privilege Ticket Authority Card (PTAC) allows holders to travel at priv rate, which is a 75% discount on equivalent adult or child-rate fares on rail services.

<ul style="list-style-type: none"><li>• PTAC</li><li>• For more information see <b>Book 3</b></li></ul>	
<ul style="list-style-type: none"><li>• Oyster card</li></ul>	

PTACs are issued to eligible current and retired TfL and National Rail staff. The variants allow discounted travel on:

#### Priv All Rail:

- Tube, DLR, London Overground, TfL Rail and National Rail services.

#### Priv TfL rail:

- Tube, DLR, London Overground, and TfL Rail services

#### Priv NR only

- London Overground, TfL Rail and National Rail services only

PTAC holders can have the discount set on their Oyster card or Oyster photocard for pay as you go travel at Priv rate.

Some PTAC holders can buy Priv rate season tickets for travel on National Rail services; see **Book 3** for more details

As 5 - 10 Zip Oyster photocard holders travel free on most National Rail services in London, they do not need to set the priv discount

A valid Privilege Ticket Authority Card (PTAC) is needed for all journeys. An accompanying Oyster card with a privilege discount set is needed when using pay as you go.

More information about privilege travel is on the Staff Travel pages on Source: [tfl/PeopleAndDevelopment/RecognitionAndBenefits](https://tfl.gov.uk/PeopleAndDevelopment/RecognitionAndBenefits)

### Privilege (PTAC) rate fares

#### Single Fares

Customers can only use pay as you go at Priv rate on the Tube and DLR – they cannot buy paper single tickets. Pay as you go fares using Oyster with priv discount are generally cheaper than buying a paper (cash) ticket for single journeys on London Overground, TfL Rail and National Rail services.

**Single fares are not published in this booklet; however, a general guide to single fares in Zones 1 - 9 is available at the back of this book**

For details of single fares, use [single fare finder](#), which shows pay as you go fares between any two rail stations

For adult, 18+ or 16+, the equivalent priv fare will be 25% of the adult fare.

For 11 - 15 year olds, the equivalent priv fare will be 25% of the 11 - 15 fare

- i.e. if the fare displayed is £1.00 the priv fare is £0.25

#### Day tickets and daily capping

- Privilege rate Day tickets are not available
- Privilege rate daily caps are charged at the standard adult rate
- Adults and 18+ Student Oyster photocard holders can have a 16 - 25 National Railcard discount set on their Oyster card/photocard in addition to the priv discount, to get a 1/3 discount on daily caps. The system applies the better value of the discounts at each stage.
- Privilege rate daily caps for children aged under 16 are charged at the standard child rate for peak and off-peak.

### Entry and Exit Charges

An entry charge is deducted from a customer's contactless card or device or from the pay as you go credit on their Oyster card when they touch in at the start of a journey on Tube, DLR, TfL Rail, London Overground, National Rail or River Bus services. The amount charged depends on what time the customer touches in and whether there are any valid discounts or a season ticket on an Oyster card. The deduction of an 'entry charge' is to help protect revenue.

When a customer touches out at the end of a journey, the system adjusts the entry charge to ensure the correct cost of the fare for the journey completed is charged. This means:

- A credit adjustment is made if the cost of the journey is less than the entry charge
- No change is made if the cost of the journey is the same as the entry charge
- An additional deduction is made if the cost of the journey is more than the entry charge
- If the customer does not touch out at the end of the journey, the entry charge remains and is not included in capping and the customer will have an incomplete journey

If a customer does not touch in at the start of a journey but touches out at the end of the journey an exit charge is deducted from the customer's contactless card or device or from the pay as you go credit on their Oyster card. Again, the customer will have an incomplete journey.

If an Oyster card with a season ticket is touched in or out at a station outside its zonal validity, a lower 'mixed journey entry/exit charge' is deducted, reflecting that part of the journey is likely to be covered by the season ticket.

For zones 1 - 6, the adult entry/exit charge is **£8.40 peak** and **£5.70 off-peak**.

Separate entry/exit charges apply at:

- Radlett, St Albans City, Harpenden, Luton Airport Parkway, Potters Bar, Bookmans Park, Welham Green, Hatfield, Welwyn Garden City, Cuffley, Bayford, Hertford North, Broxbourne, Rye House, St Margarets, Ware, Hertford East
- Epsom
- Chafford Hundred, Grays, Ockendon and Purfleet
- Denmark Hill, Peckham Rye and Queens Road Peckham
- Gatwick Airport, Merstham, Earlswood/Redhill, Merstham, Horley/Salfords
- Gatwick Express platforms 13/14 at London Victoria
- Paddington station for Heathrow Express
- St Pancras International and Stratford International for journeys on Southeastern high speed services – HSI
- St Pancras International for East Midlands services
- Shenfield
- Watford Junction
- Swanley and Dartford

See page 47 onwards for full entry and exit charge rates.

### Entry and Exit thresholds and code 36

Customers using Oyster pay as you go need the minimum fare available from their departure station on their Oyster card for the gates to open at the start of a journey. This is known as the ‘entry threshold’.

If a customer has not touched in at the start of a journey, they need the minimum fare to their destination on their Oyster card, for the gates to open at the end of their journey. This is known as the ‘exit threshold’.

## Entry and Exit charges

If a customer using Oyster pay as you go does not have the required entry/exit threshold, on their Oyster card, error code 36 (insufficient pay as you go) is displayed and the gates will not open.

If a customer tries to touch in and their pay as you go balance is below the entry threshold they should be advised to add money to their Oyster card.

If a customer tries to touch out and their pay as you go threshold is below the exit threshold, their card will be rejected and the gate will not open. Customers need to ask staff to let them out and then need to add credit to their Oyster card before it can be used again.

Exit thresholds used to be the same as entry thresholds. A station reader upgrade in early 2019 means that different entry and exit thresholds can be set. The exit threshold at all London Underground stations is now set at -£2.00.

This means that, as long as an Oyster card does not have a PAYG balance of less than -£2.00, the customer is able to exit at their destination, even if they failed to touch-in correctly. Rather than their card being rejected with reject code “36”, the gate will now open to let the customer out.

The appropriate exit charge will still be deducted, as well as potentially a maximum fare, resulting in a negative pay as you go balance. This prevents further use until the card has been topped up.

From 2 January 2020, this will be extended to all gated London Overground and TfL Rail stations. Customers can resolve the maximum fare if applicable, via their online account or by calling Customer Services.
