Dear Felix,

Request for information under the Freedom of Information Act 2000 ("the Act")

Further to your recent request for information held by King's College London, I am writing to confirm that the requested information is held by the university.

Your request

We received your information request on 9th April 2020 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

I'd like kindly request the College to provide the latest statistics for postgraduate admissions in the 2019 entry year. (application number and offer number for each postgraduate taught programmes)

Furthermore, I'd also like to know about the postgraduate admission statistics for Chinese students (of Chinese nationality) in the 2019/2020 academic year, including the number of applicants and the number of offers made in general.

Our response

Please find attached an excel spreadsheet containing the information you have requested.

Please note the following -

- The information in the spreadsheet is divided into two parts. The first related to Chinese applicants only. The second relates to all students, including Chinese.

- Data is for the most recent academic year 2019/20
- Applicants may have applied in previous admission cycles for the 2019/20 entry
- 'Chinese' is defined as someone who has a Chinese nationality
- The data compiled consists of all postgraduate courses

This completes the university's response to your information request.
