Dear Mr Magher,

**Re: FOI 237198711 – Stone Cross, Hall Green Road Development, Waste Disposal Licenses and Chemicals**

Thank you for your Freedom of Information request dated 10 August in which you asked:

*“Please supply a copy of the full waste disposal licence SL57 issued to T&S Element Limited on 3/3/1978 by the West Midlands County Council for the site in Hall green Road subject to planning application - known as "area 1".*

*You are requested to include any subsequent amendments to the licence and also when the licence was surrendered. At one time SMBC may well have been the waste disposal authority for this licence before the Environment Agency existed in 1996.*

*Also include any waste disposal licences in your possession for the SMBC land referred to as "area 2"- Needwood Grove Community open space which forms the other part of the development.”*

Having considered your request, we have provided the following returns:

A copy of full waste disposal licence SL57 issued to T&S Element Limited on 3/3/1978 by the West Midlands County Council forms part of this response.

Two subsequent amendment documents are appended to SL57.

The Council does not hold a site licence applicable to Needwood Grove community open space.
