Please find attached the Adults & Children's structure charts as requested, appendix 1 and 2.

We have provided the contact names for individuals at Team Manager level and above (Adults) and Heads of Services and above (Childrens). We have provided a contact centre number for Children's and Team numbers for adults. While individual staff names and contact details may be provided to specific members of the public or service users where relevant, staff names and individual contact details are classed as personal data, and are therefore exempt from release under the Freedom of Information Act under section 40 (2) as amended by the Data Protection Act 2018, as all FOI response go into the public domain. We have considered the public interest as well as the impact of the release of this personal data, and decided that it is not appropriate to release individual names and contact details for members of staff working below a Head of Service level in for Children's teams, and a Team Manager level for adults.
