Dear Jamie

Request under the Freedom of Information Act 2000

I refer to your email of **7 February 2020** in which you requested information under the Freedom of Information Act from Sussex Partnership NHS Foundation Trust.

Your request

You made the following request:

Question 1:

I would like to request the structure charts for Mental Health Services please
I would like the following, Names, email addresses, contact numbers and job titles of all CMHT Manager , CAMHS Service Manager , CMHT Service Manager, Inpatient Service Manager , Associate Director , Head of Service and Service Directorate that manage the Mental Health Services within the Organisation please.

Decision

Sussex Partnership holds the information that you have requested and has decided to release it as stated below:

Answer 1:

The Trust's structure charts are publically available via the [publication scheme](#) and can be found [here](#)

We are unable to provide you with every manager's name and contact details within the Trust but would be more than happy to provide you with a particular service / team manager on request.

This is owing to the release of staff names and contact details which we consider to be personal information protected by the Data Protection Act 2018, and therefore exempt from disclosure under Section 40 of the Freedom of Information Act 2000.

Review rights

If you consider that your request for information has not been properly handled or if you are otherwise dissatisfied with the outcome of your request, we can try to resolve this informally with the person who dealt with your request via our Freedom of Information Officer at the email address stated above.

If you remain dissatisfied, you may seek an internal review within Sussex Partnership of the issue or the decision. A senior staff member of Sussex Partnership, who has not previously been involved with your request, will undertake that review.

A request for an internal review should be submitted in writing to:
FOI Request Reviews, Sussex Partnership NHS Foundation Trust, Trust HQ, Arundel Road, Worthing, West Sussex, BN13 3EP or by email to FOI@sussexpartnership.nhs.uk

If you are dissatisfied with the outcome of any internal review, you may complain to the Information Commissioner for a decision on whether your request for information has been dealt with in accordance with the Freedom of Information Act.

The Information Commissioner can be contacted at:
The Information Commissioner's Office
