Dear Mr Blunn,

I am replying to your Freedom of Information request to the College, which was received by the Freedom of Information Officer on 17th May 2018.

For clarity here is your original text:

Please provide the number of student beds you are managing for the 2018-19 academic year i.e how much student accommodation is available.

Alternatively please provide the above for the 2017-18 academic year if the latest data is not yet available.

In December 2017 the number of student beds managed by the College was 600 in a combination of single rooms and couples' flats. This is based on snapshot data taken each December.

If you wish to request a review of this response, you should write to me at the above address in the first instance. The entire set of correspondence will be passed for review to another person in the College. If you are dissatisfied with the outcome of a review, you have the right to make a complaint to the Information Commissioner's Office.

Yours sincerely,

Prof. A. J. Parker
Principal Bursar
