SLC will retain this information to provide customer services to you, to respond to your questions and update information on your account. SLC will keep personal information about you, your partner and your relatives so that it can audit its assessment of financial support.

Your university or college will receive information from SLC so that SLC can pay to it any tuition fee grant or loan you are entitled to, and so that it can confirm the details of your course of study. Your university or college may have shared access to your application and account information in the future for these purposes.

Your university or college may also ask for information that you provide in connection with your application for student finance such as your personal, financial and course details or information about your eligibility for student finance, for bursary administration purposes from SLC, the Secretary of State for Business, Innovation and Skills, if your place of study is in England, the Welsh Ministers, if your place of study is in Wales or the Department for Employment and Learning, if your place of study is in Northern Ireland. In this instance, the university or college will be the data controller of the information and will use it to assess eligibility and make payment of any bursary or scholarship to which you may be entitled. If you would like to see this information please contact your university or college.
