Dear Steve Blunn,

Request for Information under Freedom of Information (Scotland) Act 2002

Thank you for your email which was received by the University on 30 August 2018 requesting the following information:

Could you please provide your projections for the number of full-time students expected to attend the institution over the next 5 years, or as far forward as you have projections for?

Where possible can this be split by full-time undergraduates and full-time postgraduates per campus.

For example:

2018: X full-time undergraduates and X full-time postgraduates

2019: X full-time undergraduates and X full-time postgraduates:

etc.

University's response
