Dear Mr Broadchest,

Request for information under the Freedom of Information Act 2000 (“the Act”)

Further to your recent request for information held by King’s College London, I am writing to request clarification in accordance with section 1(3) of the Act.

Your request

We received your information request on 13 May 2016 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

“1. Minutes or notes of meetings of formal departmental or school student/faculty representative or liaison meetings for all UG and taught PG courses from 2011 academic year;

2. Amounts of financial resource expensed, paid to, paid in kind or granted to any student society affiliated with academic departments and their courses since 2011 academic year; and

3. Student complaint topics made formally to the College since 2011 academic year.”

Clarification Request

We require clarification in relation to part 1 of your request. Please could you confirm what is meant by “...formal departmental school student/faculty representative liaison meetings...”

We are unable to process your request until the above clarification has been provided. Despite making enquiries with various departments, the meaning of the above phrase was unclear.

The university considers the above matter closed until the requested clarification has been received.

Yours sincerely
