.....  
**Freedom of Information Act 2000 Request – Student Non-Attendance at Ark  
Boulton Academy**

Dear Izzy,

Thank you for your request of 23 October 2022 asking for information under the Freedom of Information Act (FOIA) 2000 on students not attending lessons but staying on school grounds at Ark Boulton Academy.

Unfortunately, we have been unable to provide you with a response to your request. The scope of your request spans five-years and for school to gather the data for your request will exceed the 18-hour cost limit set out in Section 12 of the Act.

Therefore, we would like to suggest reducing the scope of your request. This could be done by reducing the number of academic years and reducing the incident details you would like (questions a – d) to enable us to provide responses to your questions.

If you have any queries or would like to discuss this, please get in touch.

Best regards,

Nadia St Paul  
Data Protection Officer
