- 2. Please provide details of all field headings in Find a Job that would be captured by a Subject Access Request.*
- 3. Please provide all recorded information relating to how you can access a particular Find a Job account, with or without the holder's express consent.*
- 4. Please provide all category headings of statistical information that you record in relation to Find a Job e.g. number of accounts created each month, number of benefit claimants who created accounts, number of job applications made.*
- 5. Please provide a copy of any minutes or reports concerning EU competition rules and the Department's legal authority to mandate benefit claimant's to create a Find a Job account.*

DWP Response

I can confirm that we hold information falling within the description specified in your request. However, we estimate that the cost of complying with your request would **exceed the appropriate limit for central Government, set by regulations at £600**. This represents the estimated cost of one person spending 3½ working days in determining whether the Department holds the information, and locating, retrieving and extracting it.

Under section 12 of the Freedom of Information Act the Department is not therefore obliged to comply with your request and we will not be processing it further.

Under section 16 of the Act we should help you narrow your request so that it may fall beneath the cost limit:

- the topics you ask about are very broad, you should choose a more specific subject matter

If you have any queries about this letter please contact me quoting the reference number above.

Yours sincerely,

DWP Strategy Fol Team
