Dear Ms Barry,

Reference – Freedom of Information Request

Thank you for your request for information. Your request was received by email on 27th June 2021. Your request has been processed under the terms of the Freedom of Information Act 2000.

I have now had an opportunity to consider your request and I can advise that the Health and Social Care Board (HSCB) is not responsible for the collation or publication of statistics relating to deaths.

The organisation responsible for publishing deaths statistics in Northern Ireland is the Northern Ireland Statistics and Research Agency (NISRA). NISRA draws their statistics from registered deaths received by the General Register Office for Northern Ireland. You may wish to direct your query to either NISRA or the General Register Office.

I have included a link below to the NISRA website for your convenience which provides information in respect of the area you have expressed an interest in:

- <https://www.nisra.gov.uk/statistics/cause-death/suicide-deaths>

I am sorry I could not be of assistance on this occasion. If you are unhappy with my response, please contact me and I will initiate an internal review into this matter.

Yours sincerely,

Mr Peter Moran
Assistant Information Governance Manager
