

Dear Ms MacArthur,

**Freedom of Information Act Request (ref: LBH/3554714): Fees Notice**

I am writing regarding your request for information, which was received on 20<sup>th</sup> August 2014. I apologise for the delay in responding to you.

For us to undertake the necessary work to be able to confirm that we hold the information, and to provide it, we have estimated that it will cost more than the 'appropriate limit' to consider your request.

Section 12 of the Act allows public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for local government is set at £450. This represents the estimated cost of one person spending 18 hours in determining whether the department holds the information, locating, retrieving and extracting the information.

In this instance we have estimated that it will cost £575 to provide you with the required information. This amount is therefore over the appropriate limit as specified in the regulations and consequently we are not obliged by the Freedom of Information Act to respond to your request. We will not therefore be processing your request further.

The fee has been calculated as follows:

| <b>Task</b>                                     | <b>Estimated<br/>number<br/>of<br/>Hours</b> | <b>Hours<br/>multiplied<br/>by £25</b> |
|---|--|--|
| Locating the information                        | 10   | 250                                    |
| Retrieving the information                      | 7  | 175                                    |
| Extracting the information from other documents | 6  | 150                                    |
| <b>Total</b>                                    | <b>23</b>                                    | <b>575</b>                             |

It may be possible to amend your request so that it does not incur a charge. For example, you may wish to refine your request by being more specific about what information you particularly wish to obtain, including any dates or period of time relevant to the information required. In this instance, this could be a request for total costs, as opposed to detailed breakdowns which require more time to compile.

Please note however that any amended request received would be considered a new request and new timescale would apply.

If you have any further queries, or are unhappy with how we have dealt with your request and wish to make a complaint, please contact the Feedback and Information Team as below. (Please note you should do this within two months of receiving this response.)
