Dear Mr Richardson,

Freedom of Information

Please see below the response to your enquiry under the Freedom of Information Act received on 27th February 2020.

The details we require are:

- Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages
- Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?

Response details set out below:

City of York Council went out to tender on 15th March 2017 for the Provision of Architectural & Supporting Design Services Framework to which we received twenty four (24) submissions. As shown below:

AECOM	Architecture519
Atkins	BAND Architects
Burrell Foley Fischer	Church Studio
CJCT	Darnton EGS
De Matos Ryan	DLA Architecture
DSP Architects	Dunwoodie Architects
Farrell & Clark	GSS Architecture
Jefferson Sheared	NORR
NPS	NY

P+HS	PPIY
QAD Architects	Space Group
W.R Dunn & Co	Wm Saunders

All submissions received were evaluated as part of the tender process due to all suppliers passing the Mandatory Questionnaire and from that, City of York had the top 3 suppliers on a ranked framework.

1. NPS Property Consultants Ltd
2. NORR Consultants Ltd
3. WM Saunders Partnership Ltd

As this is a Framework with a contract life of four (4) years, there are no extension options available for City of York to take. The end date for this is 17th May 2021.

A review date of 1st January 2021 has been set which means this is when City of York will review the contract and the requirements and re-procure if required. No decision has yet been made.

I have also provided the link to the Contract Register to where you may find some more information on this framework:
