Information Request: 3691596

Date of Request: 22/09/2015

Date of Disclosure: 20/10/2015

Request

I am seeking a summary of the amount of money spent by each Devon school or educational setting during the 2014/2015 financial years on Temporary staff.

By summary, I mean the data that is provided by schools at the end of the financial year to the council, showing what they have spent for that year.

This information relates to lines CFR 02 & CFR 26 of the schools Consistent Financial reporting system.

I will accept the data on an excel spreadsheet, with the following headers:

School Name greater than CFR 02 Spend 08/09 greater than CFR 26 Spend 08/09

eg.

School Name ----- CFR 02 Spend 08/09 ---CFR 26 Spend 08/09 Joe Bloggs High School ----- 99,199 ----- 24,199 Jane Doe Primary School ----- 17,276 ----- - 27,999

Response

Please note that Devon County Council can confirm that it holds the information you are requesting. However CFR spend is routinely published by the Department for Education using the Benchmarking website linked below, here you will find the 2014/15 data requested;

<https://www.education.gov.uk/sfb/>

Therefore because this data is published we believe that it is exempt from disclosure under Section 21 of the Freedom of Information Act 2000 (information available by other means).

If you wish to speak with someone regarding the above request, please contact the Information Governance Team on 01392 384678 or email accesstoinformation-mailbox@devon.gov.uk
