Our ref: 4868428

Thank you for your request received on 7 November 2018, for the following information:

am requesting data from two-time periods (January-June 2017 and January-June 2018). I am aware that in cases where gathering data to fully respond to a Freedom of Information request would exceed the allowable time limit or cost, authorities are not required to work up to these limits (that is, they are not required to partially respond and provide as much data as the limit allows). However, I ask that if providing data for both time periods will exceed the limit, that you please just provide data for the single time period January-June 2018, in accordance with Section 16 of the Freedom of Information Act 2000 that states authorities have a duty to provide assistance to those making a request.

Please provide data for the following questions:

1. How many requests for support under Section 17 of the Children Act 1989 did the council receive from families where the parent(s) had 'No Recourse to Public Funds' (NRPF) status in the following six-month periods:

- a. January ' June 2018
- b. January ' June 2017

2. How many Child in Need Assessments were conducted by the council in response to requests for support under Section 17 of the Children Act 1989 from families where the parent(s) had 'No Recourse to Public Funds' (NRPF) status in the following six-month periods:

- a. January ' June 2018
- b. January ' June 2017

3. How many requests for support under Section 17 of the Children Act 1989 from families where the parent(s) had 'No Recourse to Public Funds' (NRPF) status were granted (that is, the family went on to receive social services support) in the following six-month periods:

- a. January ' June 2018
- b. January ' June 2017

4. How many requests for support under Section 17 of the Children Act 1989 from families where the parent had 'No Recourse to Public Funds' (NRPF) status were refused for the following reasons, during the period January-June 2018:

- a. The parents' immigration status

- b. The family was not ordinarily resident in the borough
- c. The family was deemed not destitute / the child(ren) was not 'in need' under Section 17 of the Children Act 1989.

We have processed this request under the Freedom of Information Act 2000.

Response

1. How many requests for support under Section 17 of the Children Act 1989 did the council receive from families where the parent(s) had 'No Recourse to Public Funds' (NRPF) status in the following six-month periods:

a. **January – June 2018**

b. **January – June 2017**

We are unable to provide this information because we are unable to run a report from our case management system for initial contacts relating to families with NRPF. This would therefore require a manual check of all referrals for that period. We estimate that referrals for January – June 2018 would be approximately 2000 cases, and that it would take approximately 2 minutes to check each record (approximately 66 hours) and we are unable to provide this information within the limits of Section 12 of the Freedom of Information Act. We are therefore refusing this part of your request.

2. How many Child in Need Assessments were conducted by the council in response to requests for support under Section 17 of the Children Act 1989 from families where the parent(s) had 'No Recourse to Public Funds' (NRPF) status in the following six-month periods:

a. **January – June 2018**

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
