### Summary of the OPI

This OPI provides information on the new EEA Family Permit guidance which has been published on Horizon and externally on GOV.UK.

### Main text of the OPI

The EEA family permit guidance provides guidance to Entry Clearance Officers on assessing applications for an EEA family permit under the Immigration (European Economic Area) Regulations 2006. This guidance supersedes the existing Entry Clearance Guidance (ECGs) and takes into account any changes to the Regulations up to and including 25th November 2016.

Further amendments will be made to this guidance to coincide with commencement of the Immigration (European Economic Area) Regulations 2016 on 1 February 2017.
