Importance: High

Hi to all

See attached Risk Sharing report revised in light of comments from Corporate Board. The report does not allow track changes so for clarity the changes are:

1. Recommended action has been altered so that it shows separately request to negotiate agreement from authority to enter into it.
2. Financial implications - have taken out the wording 'set aside for this purpose'.
3. Risk management - now refers to section 2
4. Section 2.4 Risk table - replaced independence with integrity.

The deadline for submitting the report for Management Board is 24th June, as soon as you have confirmed you are happy I will send it on.

thanks
Tandra
