Dear Sirs

Freedom of Information Request

This letter is to acknowledge that we are in receipt of your request for information under the Freedom of Information Act 2000 and to apologise and offer an explanation for the delay in providing a response.

Unfortunately, the Freedom of Information Officer terminated their employment with the Authority and it has taken time to recruit a new officer to the post. This regrettably has caused a disruption to the service which has meant the correspondence has fallen behind.

We recognize that the time for replying under the legislation has exceeded the required number of days and are sorry for the inconvenience this has caused you.

The Authority has now recruited and will endeavour to deal with your enquiry as soon as possible but no later than 28th May. If a response is not available by this date, we will write to inform you.

Yours faithfully

Two handwritten signatures in black ink. The first is a stylized 'A' and the second is a stylized 'S'.
