Dear E A Lee,

**Freedom of Information Request Reference FOI-1513630**

Thank you for your request dated 20 May to the Department of Health and Social Care (DHSC), which is a clarification of your previous request (our ref: FOI-1510191), and copies of both requests can be found in the accompanying annexes.

Your request has been handled under the Freedom of Information Act 2000 (FOIA).

DHSC does not hold the information you have requested. DHSC does not have a record of any correspondence between the requested parties and the Royal College of General Practitioners on the Cass Review after the publication of the review's final report.

If you are not satisfied with the handling of your request, you have the right to appeal by asking for an internal review. This should be sent to [freedomofinformation@dhsc.gov.uk](mailto:freedomofinformation@dhsc.gov.uk) or to the address at the top of this letter and be submitted within two months of the date of this letter.

Please remember to quote the reference number above in any future communication.

If you are not content with the outcome of your internal review, you may complain directly to the Information Commissioner's Office (ICO). Generally, the ICO cannot make a decision unless you have already appealed our original response and received our internal review decision. You should raise your concerns with the ICO within three months of your last meaningful contact with us.

Guidance on contacting the ICO can be found at <https://ico.org.uk/global/contact-us> and information about making a complaint can be found at <https://ico.org.uk/make-a-complaint>.

Yours sincerely,

Freedom of Information Team
