26th September 2017,

Dear Mr Bradley,

Information request

Reference number: FOI2017/01042

Thank you for your email of 31st September 2017. You requested the following information:

"I would like to request a copy of the most recent structural assessment of the Station Footbridge at Halifax Railway Station as referred to within a letter dated 7th March 2017, addressed to Arriva Rail North Limited from the Department for Transport. A copy of which can be found at the following web address...

https://www.whatdotheyknow.com/request/sanctions_imposed_up_arriva_rail

that has superseded the previous structural assessment dated August 2013 that I have previously received.

https://www.whatdotheyknow.com/request/structural_assessment_of_the_station_outgoing-645887"

I have processed your request under the terms of the Freedom of Information Act 2000 (FOIA).

I can inform you that we have searched our records and we do not hold the information you requested. To explain a little further, I can confirm that the assessment referred to in the letter dated 7th March 2017 from the Department for Transport is the same as the 2013 assessment that we have already provided to you. This is because these structural assessments are only carried out every 18 years and therefore a more up to date one is not available.

If you have any enquiries about this response, please contact me in the first instance at FOI@networkrail.co.uk or on 01908 782405. Details of your appeal rights are below.

Please remember to quote the reference number at the top of this letter in all future communications.

Yours sincerely

Robert Malcolm
Information Officer
