Your Reference: Freedom of Information request - The total cost of providing the Scottish Information Sharing Toolkit

8 August 2022

Dear Paul Welch,

The Scottish Information Sharing Toolkit was first stood up in the 2015/16 financial year. To support this process, Information Governance resource was seconded from NHS Fife for 3 days a week over the course of 2015/16. Resource was costed as an NHS band 8a rate, and chosen due to in depth expertise around Data Protection and Governance in the health and care sector.

Ongoing costs now attributed to the upkeep of the Information Sharing Toolkit are part of business as usual costs in Digital Health and Care, overseen by the Information and Assurance team.

I hope this helps with your query.

Yours sincerely

Josh Stokes
