Dear Jamie Dixon

Freedom of Information Act 2000 – Information request (ref: FOI_20-018)

We have now considered your request of 20 January 2020 for the following information:

‘Under the Freedom of Information Act 2000, I’d like to make a request regarding the careers support services available at your university.

If possible, I’d like to receive data specific to the 2018/2019 academic year.

Specifically, I’d like to request data on the student careers services spend. (Excluding operational costs.)

This could fall under career support or careers programmes.

If this includes a combined group of departments, could you please specify each department and their individual spend?’

Our response is as follows:

The University’s careers service (Careers Central) spend for career support and careers programmes in 2018-19 academic year was £19,200.00 (including VAT). This figure does not include operational costs, as per your request.

We hope this information will meet your requirements, however if you are not satisfied you have the right of appeal. If you wish to appeal, please set out in writing your reasons for appealing and send to the above address. You must appeal within 40 working days of the date of this letter. In line with section 5.3 of the UK Government’s Freedom of Information Act Code of Practice, we are not obliged to accept internal reviews after this date.
