Dear Mr Ali

Thank you for your enquiry of 28 June, in which you requested a variety of information regarding the current UKVI register of sponsors. Your request is being handled as a request for information under the Freedom of Information Act 2000.

Information Requested

I kindly request the latest (June 2018-) register of sponsors in the UK in MS Excel format. The available list (<https://www.gov.uk/government/uploads/sy...> is in a large PDF file, which is difficult to navigate or otherwise use.

Please also include the following information about each sponsor in the Excel document and label the columns as:

Sponsor name, Industry sector, Town/City, County, Tier, Sub Tier & Rating; and their website address (for those licence holders that have provided one).

Response

The response to your enquiries is attached as Annex 1.

These statistics have been taken from a live operational database. As such, numbers may change as information on that system is updated.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to foirequests@homeoffice.gsi.gov.uk, quoting reference **49208**. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request would be reassessed by staff who were not involved in providing you with this response. If you were to remain dissatisfied after an internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the FOI Act.

Yours sincerely

C. Walls
