University's response

The relevant department within the University has advised that not all of the information you are requesting is held. Some of the information would, in fact, have to be obtained from the UK Border Agency. Therefore, in order to obtain the most comprehensive information available and to reduce duplication across the Higher Education sector, the University of Strathclyde would advise you to request the information directly from UKBA via <http://www.ukba.homeoffice.gov.uk/navigation/foi>

However, should you decide not take this course of action and you would like the University to consider your request further then we will of course do this. Therefore, I would ask you to advise us whether you wish the University to continue with this request. Please be advised that your request is on hold until we hear further from you.
