Dear Panth Patel,

Your request was received on 27 November 2024 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*I would like to request the raw mark to grade conversion for the 2024 TMUA (Test of Mathematics for University Admission) Entrance examination, for Paper 1, Paper 2 and the overall grade boundaries  
As well as this, I would like to request the ESAT (Engineering and Sciences Admissions Test) grade boundaries, for each of the papers and the overall grade conversion.*

This information is not held. The tests are run by UAT-UK ([enquiries@esat-tmua.ac.uk](mailto:enquiries@esat-tmua.ac.uk)) which is a separate legal entity and public authority under the Act.

If you wish to request an internal review of this response, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the internal review procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Yours sincerely,

Zoe Allwood
