Under the Freedom of Information Act 2000, I would like to request data on roadworks carried out under your authority.

Can I please receive a total count of roadworks that the council carried out within the date ranges of:

01/04/2016 - 31/03/2017

01/04/2017 - 31/03/2018

01/04/2018 - 31/03/2019

If I could please receive this as a total count for each year individually that would be fantastic.

Freedom of Information Act 2000

The Council has decided that your request for information will not be processed on grounds of cost.

The information is not held in a format or database from which it is automatically retrievable. Location/retrieval of the requested information would require manual research of various departments across the council and would take us far in excess of the 18-hour limit prescribed under the Freedom of Information Act.

Section 12 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit

In accordance with the Freedom of Information Act 2000 this email acts as a Refusal Notice.

You may wish to refine and resubmit your request so that it reduces the cost to below this upper limit

I am sorry that your request is not being met on this occasion.
