Town & County Planning Act – Section 215

How many complaints has the Council received in respect of properties where one potential response to the complaint would be the issue of a section 215 notice or the issue of a warning letter prior to the issue of a section 215 notice?

In Cambridgeshire it is the City/District Councils that are responsible for town and county planning and in this instance would, therefore, hold any relevant information, rather than us at the County Council.
