Dear Gerlinde Gniewosz

Thank you for your request for information received on 14 October 2020 concerning:

Please provide a list of all trees and their locations subject to a Tree Preservation Order (TPO) that are located on council owned land (including council housing estates).

This request is being handled under the Freedom of Information Act 2000.

I am writing to inform you that we have searched our records and the information you requested is not held by the London Borough of Bexley.

We do not hold the information you are requesting in a digitised or collated format and so cannot assist with your request.

The Council holds a hard-copy register of all TPOs, which can, in normal circumstances, be inspected at our Civic Offices.

If you are unhappy with the way your request for information has been handled, you can request a review by writing to:
